

Zain Arif

FRONT-END DEVELOPER

Projects

Description

Aspiring front-end developer skilled in HTML, CSS, JavaScript, and Tailwind CSS. Passionate about creating responsive, user-friendly interfaces and eager to contribute to modern web development projects.

Portfolio Website

Built a responsive personal portfolio using HTML, CSS, and JavaScript to showcase projects and skills.

Weather App

Created a weather forecast app using React and OpenWeatherMap API with responsive design for mobile and desktop.
